INTRODUCTION :

The name of the Scheme is the “AYUSHMAN BHARAT NATIONAL HEALTH PROTECTION MISSION” and shall hereafter be referred to as the AB-NHPM or “SCHEME”.

The Ministry of Health and Family Welfare (MoHFW), aims to reduce the out of pocket healthcare expenditures and to improve access of poor and vulnerable families who are included in SECC Database under D1, D2, D3, D4, D5 and D7 category (in case of Rural Population), Automatically Included category and 11 broadly defined occupational un-organised workers(in Urban Sector) of the Socio-Economic Caste Census (SECC) database of the UT Administration of Daman Diu and Dadra Nagar Haveli along with the additional Non SECC beneficiary families category added by UT the Administration of the UTs of Daman Diu and Dadra Nagar Haveli i.e Resident families whose annual income is below Rs.1 lakhs and All Families whose annual income is above Rs.1 lakhs to quality inpatient care and day care surgeries for treatment of diseases and medical conditions pertaining to secondary and / or tertiary treatment through a network of Empanelled Health Care Providers (EHCP), to the beneficiaries for the risk covers as defined below.

The following benefits will be covered for the eligible AB-NHPM beneficiary families under the SCHEME.

- a. Hospitalization expenses coverage including treatment for medical conditions and diseases requiring secondary and tertiary level of medical and surgical care treatment including defined day care surgeries and follow –up care.
- b. Pre and post hospitalisation cover
- c. Risk Cover (RC) of Rs.5,00,000 (Rupees Five Lakh only) per eligible AB-NHPM Beneficiary Family Unit per annum under AB-NHPM.

- d. Eligible family will include all members within identified relationships as included in the SECC Database and updated from time to time (refer to Volume II of this Tender Document).

DADRA & NAGAR HAVELI :

The U.T. of Dadra & Nagar Haveli is located on the western side of the foot hills of Western Ghat and has undulating terrain. 40% of the total geographical area is covered with forests and thus offers it a look of woodland. The major river Damanganga and its tributaries criss-cross the U.T. and drain into Arabian Sea at Daman.

The UT of Dadra & Nagar Haveli is predominantly a tribal territory with hilly terrains and plains. It has an area of 491 sq.kms and surrounded by Valsad District of Gujarat on the West, North and East and by Thana District of Maharashtra on the South and South-East. The UT of Dadra & Nagar Haveli is almost touching Mumbai – Ahemdabad – Delhi National Highway No 8 (Western Express Highway). The nearest railway stations are Bhilad (14 Kms from Silvassa) and Vapi (18 Kms from Silvassa). The distance from major cities in vicinity is **Mumbai 180 Kms, Surat 140 Kms, Nasik 140 Kms and Daman 30 Kms** from Silvassa, the Head quarter of Dadra & Nagar Haveli.

As per details from Census 2011, Dadra & Nagar Haveli has a population of 3.44 lakhs and projected total population in the year 2016 is 4.22 lakhs.

Shri Vinoba Bhave Civil Hospital (District Hospital), Silvassa is the only specialty hospital in the UT of Dadra & Nagar Haveli, which is catering to entire population of Dadra & Nagar Haveli and adjoining areas of Gujarat and Maharashtra for its curative, preventive and rehabilitation needs.

Shri Vinoba Bhave Civil Hospital, Silvassa was started in 1952 and it has gradually grown to a 316 beds hospital with a State of Art Accident Prevention cum Trauma and Emergency Medical Services, which has a 16 bedded Intensive Care Unit, 5 ultra modern Operation Theatres with 4 bedded casualty.

In all in addition to Shri Vinoba Bhave Civil Hospital, Silvassa there is a 100 bedded Sub-District at Khanvel, 2 CHCs, 9 PHCs and 56 Sub-centers in the Government sector and about 9-10 Nursing Homes of different capacities.

DAMAN :

Daman district is one of the two districts of the UT of Daman & Diu on the western coast of the country surrounded by Valsad District of Gujarat state on the north, east and south and the Arabian Sea to the west. Further details of the UT can be read and downloaded from the website www.daman.nic.in. Marwad Hospital is the District Hospital for Daman and it has got 130 beds which includes 6 bedded ICU and 3 Operation Theatres.

DIU :

With an area of 38.8 sq. km., and a coastline of 21 km, the island of Diu is separated from the coast by a narrow channel on the north. Of the two tiny mainland enclaves, Ghoghla is the entry point to Diu if you arrive through Una, a town in Saurashtra. Further details of the UT can be read and downloaded from the website www.diu.nic.in. Diu also has a Government Hospital with 40 beds and 2 OTs which provides basic treatment facilities to the patients.
