

SHRI VINOBA BHAVE CIVIL HOSPITAL, SILVASSA

DEPARTMENT OF NURSING

CONTINUING NURSING EDUCATION ON “BEST PRACTICES ON IV CANALIZATON”

13th May 2023

Minutes:

On account of “International Nurses Day” Department of Nursing, collaborated with Department of Neonatology planned to train 200 Nursing Officers on “Best Practices on IV canalization”. As a part of it, 100 nursing officers working in ICU, MICU, Pediatric ward were deputed for the CNE on 13th May 2023 in two sessions. Morning session was held between 9 am to 11 am and Evening session was between 3 pm to 5 pm.

Session on best practices on IV canalization was an eye opening. Nursing officers were actively participated and it was more interactive. It gave a thought to revise our SOP as per the recent guidelines. Further plan on channelizing implementation of best practices yet to be planned with sister in charges. Heartfelt thanks to Mr. Sunil from BD for delivering session and hospitality.
